

Amputee Clinic

What

- At Amputee Clinic the Amputee Team assesses your needs and determines the type of prosthesis that is best suited to your needs and plans any rehabilitation therapy/training.
- The Amputee Team consists of the team Physician, Dr. Richard McMillan, Physical Therapist, Linda Ferraro and Certified Prosthetist, Alan Rigby.

When

- Amputee Clinic is scheduled two Wednesdays each month from 9:30am to 11:30pm.

Where

- The clinic is located at Niagara Prosthetics & Orthotics in the Hotel Dieu Shaver Rehabilitation Centre, directly across from Brock University. Our entrance and parking lot is conveniently located towards the back of the rehabilitation centre and well sign posted.

Referral Process

- A request for a seating assessment can be made by physicians, therapists, caregivers or clients. Completion of a Seating Clinic Referral form is required.. You will be scheduled within 1 to 3 weeks from the time of referral. Referral forms are available through Niagara Prosthetics & Orthotics.
